## Candidates Decide Against Vote Recount

LITTLE ROCK (AP)—Rep. Dale Alford joined former Gov. Sid McMath today in recognizing Gov. Orval E. Faubus' victory in Tuesday's Democratic primary.

Alford said he would not ask for a recount but added, "We do not concede because our cause is just and right. We do congratulate the victory because of the result we see on the tally sheet."

McMath issued a statement congratulating Faubus and announcing that he would not seek a recount Thursday.

Both McMath and Alford had indicated they might ask for a check of votes in counties which Faubus carried with a heavy majority.

Alford said he had a lot of urging to ask for a recount, but he took full responsibility in concluding that no cause could be served by a contest. He said he would continue his interest in public affairs.

Alford took issue with a Faubus remark, made at a Wednesday news conference, that both his leading opponents (McMath and Alford) got financing from outside the state. "The true record must show that all financing for the Alford campaign came from Arkansas people," he said.

With several, etc., picking up fourth and eighth grades: "There were...votes," and Alford said...decision."

## Lawmaker's Body Taken From Lake

WEST MEMPHIS, Ark. (AP)—The body of state Sen. Charles F. (Rip) Smith former speaker of the Arkansas House, was found floating in Horseshoe Lake 2 miles south of West Memphis today.

Smith, 50, went fishing alone Wednesday evening and Thursday his icebox, cricket box and other gear were found floating in the lake. The body was found in the same area.

The boat he had borrowed had not been found today, Sheriff Cecil Goodwin said.

Goodwin said Wayne Chrestman, who works on a farm near the lake, called West Memphis police and reported he had seen the body in lily pads near the mouth of Buck Bayou, which drains into Horseshoe Lake.

Deputy Sheriffs Billy Williams and Ralph Craig went to the lake and recovered the body. Williams said Smith's watch had stopped at 8:30, apparently Wednesday night.

Goodwin said there probably would not be an autopsy.

Smith's car was found parked at a cabin near the lake. Dragging operations began Thursday but were hampered by rain.

Smith was elected to the Senate in 1956 after four terms in the House. In 1953 he served as floor leader for former Gov. Francis Cherry.

He was speaker of the House in 1955 and chairman of the state Legislative Council in 1955-56.

In 1957, he sponsored the bill to create the now inactive state Sovereignty Commission, which had investigative powers into integration attempts.

Smith was a native of Hot Springs but he had lived in Crittenden County most of his life.

He represented the 25th Senatorial District, which includes Cross, Crittenden and St. Francis counties. He was not up for reelection in Tuesday's Democratic primary. The governor will have to call an election to fill his unexpired term.

Survivors include his widow; two daughters; Helen Smith of West Memphis and Mrs. Thomas Vivona of Newark, N. J. and his mother, Mrs. Charles F. Smith Sr. of West Memphis.

Funeral services will be at 2 p. m. Sunday in the Citizens Funeral Home in West Memphis. Burial will be near Marion.

## British Tell Israel to Take Soblen

LONDON (AP)—Britain instructed El Al Airline today to fly fugitive spy Dr. Robert Soblen to the United States and prison. The Israeli airline said it would not do so, the Home Office announced.

A spokesman for the Home Office — Soblen's official guardian while he is in Britain — said the airline stated it was acting on instructions from the Israeli government.

Home Office officials were trying to resolve the situation in talks with El Al representatives at London Airport.

Attorneys for the 61-year-old psychiatrist moved at once to block any effort to fly him out on another airline. They said such transportation by another line would require issuance of a deportation order, which could be attacked in court.

Pan American Airways said Soblen would not be on its only remaining flight to New York tonight.

"We have been given to understand that Soblen cannot be carried on anything but a direct flight to New York," a spokesman said. "Our flight tonight puts down at Shannon, Ireland."

The El Al line brought Soblen to London, en route to New York, and nominally at least had the responsibility for completing his trip.

A diplomatic source said the Israeli government has appealed to Britain to relieve El Al of the responsibility.

The London office of El Al confirmed that it had received Home Secretary Henry Brooke's order directing it to carry Soblen to New York, where he faces a life sentence for spying for the Soviet Union.

A government source in Jerusalem said the Israeli government was "shocked" at the British government's demand that El Al fly the 61-year-old psychiatrist to the United States. Some Israeli Cabinet members were believed to have had second thoughts about Soblen's expulsion from Israel.

**Sheriff Warns of Telephone Threats**

PARAGOULD, Ark. (AP)—Police Chief Sam Hunt said Thursday persons making threatening telephone calls to non-striking employees of Emerson Electric Co., "will be prosecuted to the limit of the law."

Hunt said the latest threatening calls were made on successive days to the father of three daughters, all under 18. The caller said, "We're going to kill your daughter," Hunt said.

Hunt said federal authorities had been notified about the calls and an investigation was under way.

Paragould has had an outbreak of minor violence since the Electrical Workers Union struck the Emerson plant June 18.

**Truck Hits Ditch, Driver Is Killed**

WILMOT, Ark. (AP)—Willie Ed Windham, 27, of Shelbyville, Tex., was killed Thursday when the van truck he was driving left Highway 165 one-half mile north of the Arkansas-Louisiana state line. State Police said the truck turned over three times.

## Russell Brands JFK's Comment as Political

By DON MCKEE

ALBANY, Ga. (AP)—U.S. Sen. Richard B. Russell of Georgia branded today as a political move President John F. Kennedy's comments about this city's racial problems.

Russell said the President's "stamp of approval upon the constant violation of the city laws is certain to encourage the importation of many other professionals and notoriety seekers and worsen an already bad situation."

The Democratic senator wired his criticism to Albany Herald editor James H. Gray, who also is state Democratic Party chairman.

The President said at his news conference that it was "wholly inexplicable" to him why Albany officials wouldn't sit down with Negro leaders to iron out problems.

Russell's telegram criticizing the President was only one of several coming into or going out of Albany in reference to the racial situation.

New York's Sen. Jacob Javits, a Republican, sent a wire to a Negro leader promising to come to Albany "without a moment's hesitation" if needed. Javits commended Kennedy for his comments in support of the integration effort.

Dr. Martin Luther King Jr. of Atlanta, in jail as a result of his Albany integration activities, and Dr. W. G. Anderson, president of the Albany Movement, both sent telegrams to the President thanking him for his comments and urging him to continue his support.

City officials have refused to negotiate with Negro leaders until King and other out-of-town integrationists leave Albany.

As the telegrams flew, a federal court hearing continued Thursday on the city's request for an injunction against mass demonstrations.

Anderson testified he believed decisions on obeying or disobeying what he called unjust laws are a matter of conscience. He said under questioning that he felt no compulsion to obey unjust laws.

## Pair Wanted by Many Arrested

LITTLE ROCK (AP)—Federal authorities announced the arrest at Fort Smith Thursday of a couple wanted in nearly every state for passing over \$50,000 in worthless checks.

The couple was identified by FBI as James Walter Brewen, 31, of Oklahoma City, and his wife, Lorene Terrell Brewen, 21, of Union Grove, Ala.

They were held in Fort Smith for investigation after allegedly attempting to sell a car, using altered ownership papers.

Fort Smith police released the couple to the FBI after it was learned they were sought at Dallas, Tex., on federal charges of transporting stolen property across a state line.

Roy K. Moore, special agent in charge of the FBI office in Little Rock, said the couple had purchased numerous automobiles with fictitious checks in several areas.

Moore said the couple had used 500 checks printed in Mexico and drawn on the First National Bank of Dallas for the Globe Sick and Accident Insurance Co.

After arraignment Thursday before U.S. Commissioner John G. Holland at Fort Smith, the Brewens were held in lieu of \$5,000 bond each.

Moore said that Brewen, who does not hold a high school diploma, allegedly had practiced medicine in Oklahoma City, Jackson, Miss., Gooding, Idaho and Bassett, Neb.

At Jackson, Moore said, Brewen allegedly operated the Taylor Clinic.

The FBI said the couple had used over a dozen aliases.

## Flames Trap Crew in Forest Fire

MARIPOSA, Calif. (AP)—Flames trapped a six-man pump crew battling a forest fire Thursday. Three of the men died and the other three were critically burned.

Planes dropped borate solution in a desperate and futile attempt to beat back the flames which suddenly swept up a canyon toward the men, the U.S. Forest Service reported.

## Bishop Says Prayer Ruling Wrong

WASHINGTON (AP)—Bishop James A. Pike says the Supreme Court misread the First Amendment in declaring unconstitutional official prayers in public schools.

"What our Founding Fathers were trying to avoid," the Protestant Episcopal bishop of California said Thursday, "was the setting up of a given denomination as the established church of the country."

He told a Senate Judiciary Committee that the court "has stretched the word 'religion' way beyond its original reference to a specific church or churches."

"What is really needed is the reaffirming of the First Amendment, restating the establishment clause precisely in terms of the prohibition our Founding Fathers had in mind, so that the Supreme Court will never be able to misread the establishment clause again," he said.

"My proposal," he said, "is that 'the establishment of religion' be restated as 'the recognition as an established church of any denomination, sect, or organized religious association.'"

The committee is considering both proposed constitutional amendments and other measures designed to counter the court's ruling.

## Sherrill Postmaster

WASHINGTON (AP)—The nomination of Orpha G. Felley as postmaster of Sherrill, Ark., has been sent to the Senate by President Kennedy.

## UA Publicity Man Honored

The United States Basketball Writers Association honored Cheyne and seven other publicists for their 1961-62 brochures in Chicago today.

The award for best editing was presented to Ken Kuhn, University of Kentucky.

## Recount Fails in Garland Co.

HOT SPRINGS, Ark. (AP)—A recount Thursday for Position 2 state representative from Garland County failed to alter any final standings.

The recount was sought by Elza Young who finished third in a three-way race.

After the recount, S. H. Allman remained the winner with 2,544 votes, while Nathan Schoenfeld was second with 2,013 and Young third with 2,007.

Allman and Schoenfeld will meet in the Aug. 14 runoff.

## Sonic Booms Are Likely

FORT WORTH, Tex. (AP)—Air Force authorities at Carswell Air Force Base at Fort Worth, Tex., announced Thursday that residents along the air corridor between Little Rock and Kansas City may expect sonic booms to 5:45 p.m. and 6 p.m.

The supersonic bombers which will be making runs along the corridor produce sonic booms heard on the ground as explosions.

Hope candidates did very well. Royce Weisenberger who won the Chancellor's race by a two one majority. . . . and Kelly Bryant led the ticket for secretary of state and is going into a runoff which will be the only race on the August 13 ballot. . . . it would be much cheaper for the public to hire both men at top salaries for the next two years than to hold a statewide election. . . . machine politics was never more solidly demonstrated than in the state races where the so-called "state" candidates won by 1-2 majorities. . . . ## Supplies of Bad Drug Destroyed

WASHINGTON (AP)—The government announced today that all supplies of thalidomide it has been able to locate in doctors' hands in this country have been destroyed or impounded.

However, officials have not been able yet to locate 158 of the 1,231 U.S. doctors who are reported to have received the drug for investigational purposes. These doctors are either on vacation or have moved and efforts are being made to locate them.

The drug, a tranquilizer and sleeping pill which originated in Germany, is blamed for many deformations of babies both to women in West Germany and elsewhere who took the drug. It was never placed on the market in this country but doctors received it for experimentation.

A statement by Secretary of Welfare Anthony J. Celebrezze said:

"The survey of physicians who received the drug thalidomide for investigational use has been largely completed.

"The report received, today from the Food and Drug Administration was as follows:

"67 of 1,073 doctor-investigators interviewed by Food and Drug Administration inspectors still had some of the drug on hand. All such supplies have been either destroyed or impounded.

"158 doctors were on vacation or had moved to other locations. Diligent efforts are being made to interview each of these 158 doctors as soon as they can be contacted.

"Altogether 1,231 doctors were reported to have received the drug.

"This is a first summary. Additional survey results which will give more detail will be available as the tabulations are completed."

## Man Holds 8 at Gunpoint for 12 Hours

By DICK STUART

PHOENIX, Ariz. (AP)—An embittered pipefitter, incensed by discontinuance of his disability checks, held eight men at gunpoint for 12½ hours in a state office before detectives disarmed him Thursday night.

Charles Elmer Milligan, 52, of Tempe, was subdued by Sgt. Earl Moore and detective Don Rodriguez, who gained entry to the barricaded office by posing as newsmen.

Moments earlier, Milligan had voluntarily released five of his prisoners.

The drama began about 8 a.m. in a four-story state capitol annex housing offices of the Arizona Industrial Commission.

There for a hearing on his disability claim, Milligan whipped out a .22 caliber pistol and wounded his own attorney in a scuffle before taking command of the room.

He released his lawyer, Stephen S. Gorey, 46, who scooted out of the room on the seat of his pants and was hospitalized with a flesh wound in his left leg. Later Gorey, from a hospital bed, conferred with Milligan by telephone and tried to talk him out of his gun-waving lecture to commission officials.

The gunpoint hearing was interrupted in its early stages by Milligan's son, Charles, 28, who was promptly thrown out by his angered father.

By telephone, Milligan told Det. Sgt. Seymour Neallist: "I damn near killed them all. He had to get past you to get in. You get him the hell out of this building."

Milligan suffered a back injury 18 months ago while working on the Glen Canyon Dam project on the Colorado River in northern Arizona. He drew disability compensation for a while, Gorey said, but the checks stopped in mid-March.

John B. Ryan, 63, a court reporter employed for the hearing and one of the hostages, said: "He just wanted to tell his story."

## Demands Truth About Hidden Estes Report

WASHINGTON (AP)—Sen. Karl E. Mundt, R-S.D., demanded today that the Agriculture Department explain whether "stealth, stupidity or human frailty" held up a report to the FBI on alleged law violations by Billie Sol Estes.

Mundt spoke out as the Senate Investigations subcommittee heard testimony that the department waited until last May 31 to write up minutes of a meeting held more than six months earlier to "discuss Estes' allegedly illegal manipulations in cotton acreage planting allotments."

The subcommittee is exploring whether political influence helped Estes build a multimillion-dollar business empire based on farm aid deals. The Pecos, Tex., financier recently was adjudged bankrupt, and awaits trial on fraud and theft charges.

Mundt, the subcommittee's senior Republican, contended earlier that Estes "secretly had a Man Friday doing his bidding in the department."

He said that was shown by a memo recommending permanent validation of Estes' cotton allotments, the legality of which had been questioned. The subcommittee has asked the FBI to trace the origin of the memo.

Joseph A. Moss, head of the Agriculture Department's cotton division, said the memo was prepared but never signed or made effective.

William H. Duggan, an investigator for the Agriculture Department's Agricultural Stabilization and Conservation Service, testified today that high officials of the agency discussed on Nov. 14, 1961 a report of his investigation of Estes' deals.

He said he recalled no mention by anybody at the meeting of referring the case to the Justice Department for FBI investigation and possible prosecution.

Horace D. Godfrey, an administrator, testified that it was not until last May 31 that the department, under his supervision, got around to writing up a statement from some sketchy notes and the memories of those concerned, as minutes of the Nov. 14 meeting.

The recommendation to recognize as legal Estes' 1961 cotton allotment transfers and allow them to stand for 1962 got nowhere. Instead, the department declared the deals illegal, fined the Pecos, Tex., promoter \$554,000 for his 1961 manipulations and refused to withdraw an additional fine of nearly \$50,000 on his 1962 allotment juggling.

Estes has been declared bankrupt and awaits trial on fraud and theft charges.

The subcommittee's staff asked the FBI to try to identify both the typewriter on which the memo was typed and the author of a scribbled notation on the face of the only known remaining copy in an effort to pin down positively who had issued the memo.

Moss testified he helped Emory A. Jacobs, then deputy administrator of the Agricultural Stabilization and Conservation Service, draft the memo last Jan.

Jacobs resigned in April after his name came up in a Texas court of inquiry studying Estes' operations. The 54-year-old Jacobs denied any wrongdoing in his letter of resignation.

## Clement Wins Nomination in Tennessee

By GAVIN SCOTT

NASHVILLE, Tenn. (AP)—Tennessee Democrats endorsed Gov. Frank Clement for a third term as governor Thursday and apparently unseated two veteran congressmen who opposed much of President Kennedy's program.

Clement scored an impressive victory over Chattanooga Mayor P. R. Ogiati and Memphis City Commissioner William W. Farris.

Rep. James B. Frazier, bidding for an eighth term, and Rep. J. Carlton Loser, trying for a fourth term, appeared to have been beaten in races so close the winners probably won't be known for certain until the official count. Their opponents endorsed Kennedy's New Frontier legislation and had heavy support of organized labor.

Nearly complete returns showed Clement, 42, swept six of Tennessee's nine congressional districts. His share of the vote stood at 40 per cent, enough for victory in this state that has no runoff primary. It virtually assured him of election in November since Republicans seldom offer serious competition.

With returns from 2,488 of the state's 2,688 precincts, the vote today was Clement 278,734, Ogiati 180,269 and Farris 194,190.

In the Third District of southeast Tennessee, Frazier was edged out by Wilkes T. Thrasher Jr., 41. The unofficial vote from the 11-county district that includes Chattanooga was Thrasher 35,267, Frazier 35,177. Raymond Prater had 2,685 votes.

Loser staged a nip-and-tuck battle in the Fifth (Nashville) District with former State Sen. Richard Fulton, making his third try for the congressional seat.

Final unofficial returns gave Fulton 30,870 votes, Loser 30,767 and Gordon Turner 6,739.

## The Miracle Baby Is Recovering

RUSHMORE, Min. (AP)—They call him the "miracle baby" and after seven operations in his 18 months it's no wonder.

Todd Groenewold was born March 3, 1961 without a connection between his esophagus and his stomach. The channel through which food must flow came to a dead end.

That meant trouble at once for the infant son of a farm couple, Mr. and Mrs. Donald Groenewold. Dr. R. R. Sawtell of Worthington, Minn., gave the baby oxygen and put him in an incubator.

Todd couldn't keep any food or water down and examination showed the serious trouble. He was taken to University Hospitals in Minneapolis for surgery. In a five-hour operation, surgeons connected the esophagus to the stomach.

A week later this broke down and frail Todd was rushed back for another five hours on the operating table. He was fed milk through a tube inserted directly into his stomach.

In another week a lung collapsed and Todd got bacterial pneumonia.

On April 17 last year a three-hour operation was required to correct the position of the feeding tube. By mid-May Todd weighed more than nine pounds and was sent home.

Doctors said he had survived 10-to-1 odds to live.

In April of this year, it was back to the hospital for three operations.

Now, Todd is back home and thriving much like a normal child. His esophagus still runs outside of Todd's breastbone. When he's about six, doctors will operate to place the tube inside the chest.

**CITY OF THE SIXTIES**—Artist's drawing shows how downtown Pomona, Calif., will look at the end of a 10-year urban renaissance program. Main features are a nine-block-long pedestrian mall, transportation terminal and civic center. The Pomona Plan is unique in being financed by private enterprise, without state or federal aid. The city, 30 miles from Los Angeles, has grown from 35,000 in 1950 to 227,000 in 1961 and hasn't stopped.

## Enterprise Group Rarely Heard From

By BILL SIMMONS  
Associated Press Staff Writer

The Arkansas Free Enterprise Association has a membership estimated between 4,000 and 11,000, wields probably as much political power as any other organiza-  
tion in the state and yet is one of the least heard of groups.

What is the aim of the associa-  
tion, what are its components and  
what has it achieved?

George Dickinson, executive  
director of the association's board  
of directors, said its long-range  
objectives are to battle move-  
ments inimical to the interests of  
free and competitive enterprise  
and to promote harmony between  
employers and employees on the  
premise that the welfare of each  
is bound to the progress of the  
other.

The association keeps its eye on  
business, labor, and business and  
labor law. Dickinson said the  
group thinks of itself as the "ref-  
eree" between businessmen and  
labor union leaders.

Most of the action it takes is  
done "behind the scenes," Dickin-  
son said.

"We aren't seeking to publicize  
ourselves," he said. "We feel  
we can accomplish beneficial  
things to businessmen and em-  
ployees without spending all our  
time in the limelight."

Dickinson provided the member-  
ship estimate, based on the circula-  
tion of the association's publica-  
tion, "The Free Enterpriser." Ac-  
tual membership figures are  
never released, he said, and only  
the names of the members of the  
board of directors are made pub-  
lic.

These include, Dickinson said:  
John Crain, son of the late Jim  
Crain of Wilson; Eric Rogers of  
Jonesboro; T. A. Prewitt of Tillar;  
Cecil Draper, a lumberman from  
El Dorado; Milton Cropp of the  
Furniture Manufacturer's Associa-  
tion at Fort Smith; Melvin Dacus,  
a lumberman from West Mem-  
phis;

L. B. Leigh of Little Rock, pres-  
ident of the association; Elbert  
Faucett, a Little Rock realtor;  
Carroll Thibault, in the milling  
business at Little Rock; Pratt  
Rommel, an insurer from Little  
Rock; Chris Finkbeiner, the meat  
packer; and Dickinson.

## Missing Woman Is Found Safe

POTEAU, Okla. (P)—An Ok-

lahoma woman who had been  
missing since Monday was found  
alive today in a wooded area of  
southeastern Oklahoma.

Officers said Mrs. Gene McRae,  
40, of Tulsa, had been visiting in  
El Dorado, Ark., and was en route  
home when she stopped her car  
alongside U.S. Highway 59 about  
two miles south of Page, Okla.

They said she told them she de-  
cided to walk in the woods about  
noon Monday, and stopped her  
car. Then she became lost in the  
dense wooded area.

When located today by two men,  
Bill Murray of Mena, Ark., and  
Carroll Daniels, who lives in the  
area, she was suffering from  
bruises, a back injury, scratches

Rock; Chris Finkbeiner, the meat  
packer; and Dickinson.  
Dacus is vice president, Faucet  
is secretary and Crain is treasur-  
er.

The association's predecessor,  
the Businessmen and Farmers  
Good Government Committee,  
came into being in 1942. By 1943  
it had established Antiviolence  
Act 193.

In 1944, partly through the com-  
mittee's efforts, the Freedom to  
Work Constitutional Amendment  
was passed — the first right to  
work law in America.

The amendment, No. 34 coupled  
with Enabling Act 101 of 1947, in-  
sures that a worker cannot be  
forced not to join a union, cannot  
be forced to pay union dues or  
other monetary considerations of  
a labor group. It also prohibits  
the closed shop and protects col-  
lective bargaining by organized and  
unorganized labor.

The anti-violence act makes it  
unlawful to threaten a worker who  
does not join a strike, and it  
makes it unlawful to prevent a  
worker from remaining on the job  
during a strike.

In 1946 the committee was in-  
corporated and became the Ar-  
kansas Free Enterprise Associa-  
tion. Since then it has collected  
and disseminated information con-  
cerning the rights of persons in-  
volved in free enterprise—be he  
businessman or laborer.

The association operates on a  
contribution system, whereby  
members give whatever sum they  
chose to the association for use at  
its discretion. Cost of its opera-  
tion is not disclosed.

## Twins Gain on Yanks; Umpire Ruins Detroit

By BOB GREEN  
Associated Press Sports Writer

Umpires generally are cautioned to be as unobtrusive as possible. But there are times when their nimble minds, not-so-nimble feet, the nature of their job or human error put them in center stage.

Like Thursday when the not-so-nimble feet of Bill Kinnaman got in the way of a potential double by Al Kaline and turned the probable hit into a rally-killing out as Detroit lost to Kansas City 5-4.

It was all according to the rules, however. A batted ball that hits an umpire is still in play.

In other games, Los Angeles fought off Cleveland 5-4 and closed up half a game on the idle, leading Yankees. Third-place Minnesota rallied for a 5-3 victory over Baltimore. Boston beat Chicago 7-4. New York and Washington were not scheduled.

In the National League, Los Angeles beat Pittsburgh 5-3. San Francisco edged Chicago 4-3. St. Louis clipped Cincinnati 5-1. Houston stopped Milwaukee 3-0 and Philadelphia defeated New York 9-4.

With two Tigers on and one out, Kaline drilled a hard shot down the third base line and it appeared headed into the corner for a double. Kinnaman jumped, trying to avoid the ball, but it crumpled off his leg. A's shortstop Billy Conzolo scooped it up, trapped the lead runner, Don Budin, in a rundown and the A's got out of it.

A three-run homer by Norm Siebern was the big hit, while Kaline had a two-run blast for the losers.

Relief man Art Fowler chopped off a last-inning Cleveland rally with one run in and the bases loaded in the ninth as the Angels closed to within 5½ games of New York. Fowler came on with one out in the ninth, allowing a run-scoring sacrifice fly to Bubba Phillips, an infield single to Willie Tashy which loaded the bases, then retired Chuck Essagian on a foul fly.

Minnesota rushed in four runs on only one hit, a single, in the ninth inning rally that beat Baltimore. A walk, a fielder's choice, two more walks, two passed balls and a wild pitch on oyl Wilhelm's knuckleball produced one run. Vic Power's single got two more, and an error let in the other.

Lu Clinton and Eddie Bressoud each had three hits in the Red Sox win over Chicago. Rookie Dick Radatz held the White Sox to two hits in the last 3 2-3 innings to preserve the victory for Don Schwall (5-11).

## Competition Fierce in Archery Meet

Records continued to fall Thursday as archers from throughout the country as well as Canada and Mexico remained in fierce competition in the 17th National Field Archery Tournament.

The marks toppled Thursday brought to 15 the number of records shattered in two days.

A ninth record was equalled Thursday.

The colorful tournament ends today with the animal round—considered as vital to archery as putting is to golf.

James Bell of Cambridge, Ohio, extended his lead in the professional instinctive division over defending champion Lon Stanton of Ozarks, Mo., with a record shattering 961.

Carl Heinrich of Redmond, Mich., established a record at 917 in 1959.

Bell's total stood at 1,898 nearly 50 points higher than Stanton's 1,859.

Don Cavallero of Los Angeles, a professional sight shooter participating in his first national, Miss Bollum of Redwood Falls, Minn., and Jane Waite of Tyrone, Pa., each set new marks. Miss Bailey for the second day in a row.

Miss Bailey bettered the 703 record set by Hazel Scott of Paducah, Ky., with a 74 pointer in the hunter's round.

Miss Waite had a round of 880 in the women's professional sight division, eclipsing the 1959 mark of 877 set by Cleo Roberson of Farnham, N.Y.

Miss Bollum totaled 929 points Thursday, outdistancing the mark round record Thursday to his of 701 set last year by Marie Evfield record established Wednesday.

Thursday, Cavallero shot a 1,041, topping the previous mark of 1,015 set in 1959 by Jim Mackey.

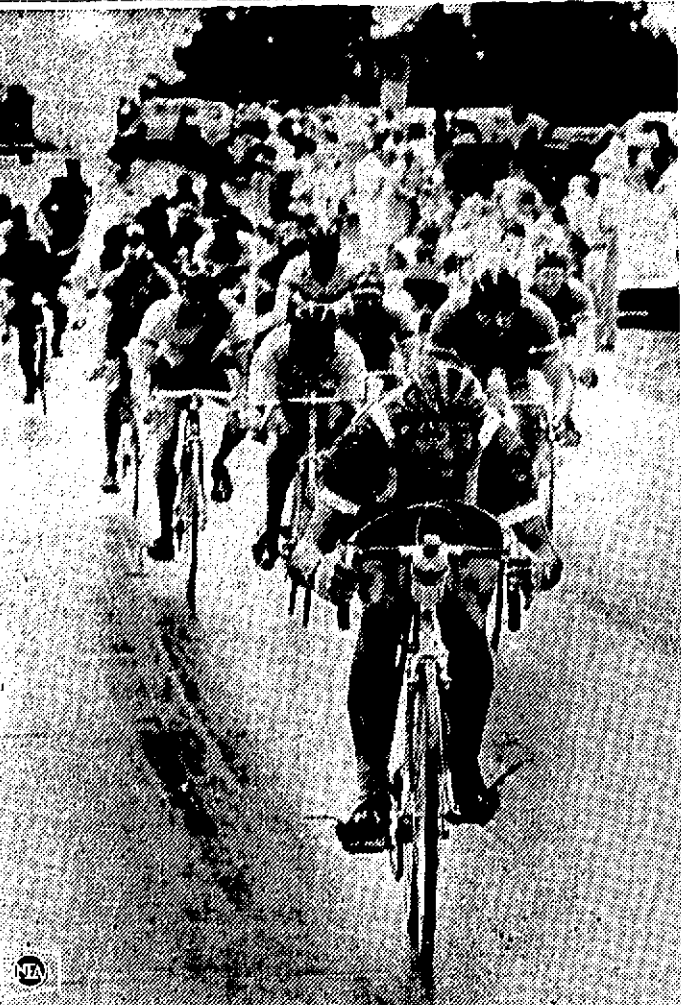

On Behalf of myself and my family our heartfelt thanks to all of you for the wonderful vote you gave me in my successful race for Chancellor.

The victory belongs to those of you who so graciously rendered your active support to us. I shall earnestly endeavor to make you a chancellor with whom you will be well pleased.

**GOLDEN STATE RUN**—California riders placed one, two, three as cyclists from throughout the country competed in a national championship 100-kilometer race in Clarks-ville, Mo. It marked the 75th anniversary of the event.

**SEA SCOUTS**—Australian skippers Archie Robertson, center, and Jack Sturrock, right, who will pilot the Australian challenger Gretel in the America's Cup Race off Newport in September, spend their vacation to advantage. On a chartered cruiser they watch in trial runs American yachts which might be selected to defend. In this case, the Aussies are observing Columbia, winner last time.

## Howard's Hit Provides Win for Dodgers

By MIKE RATHET  
Associated Press Sports Writer

Frank Howard

That's been almost the entire story for the Los Angeles Dodgers recently and, although the script underwent minor changes Thursday night, the result was the same as Howard struck the key blow for a 5-3 victory over Pittsburgh.

Howard slammed three homers and drove in 12 runs while the Dodgers swept a three-game series from second-place San Francisco last weekend.

Against the Pirates Thursday night, Howard used a two-run single to win it for the Dodgers. The seventh inning hit off relief ace Elroy Face snapped a 3-3 tie.

The triumph maintained the Dodgers' four game lead over the second-place Giants, who edged the Chicago Cubs 4-3 to end a four-game losing streak.

Cincinnati got the cooling off treatment from St. Louis as Ernie Broglio pitched a four-hitter to beat the defending champion Reds 5-1. Dick Farrell's five-hit shutout gave Houston a 3-0 triumph over Milwaukee and Philadelphia outslugged the New York Mets 9-4.

In the American League, the second-place Los Angeles Angels edged Cleveland 5-4, third-place Minnesota whipped Baltimore 6-3. Boston defeated the Chicago White Sox 7-4 and Kansas City nipped Detroit 5-4. The New York Yankees and Washington were not scheduled.

Two home runs by Pirate catcher Smokey Burgess built a 3-0 lead for Vern Law, but the Dodgers closed within a run on Tommy Davis' two-run homer in the sixth. In the seventh, Face replaced Joe Gibbon (2-2) on the mound and made a wild throw on Jim Gilliam's bunt, allowing one run to score. He then walked Willie Davis, got Tommy Davis on a double play and walked Ron Fairly before Howard connected. Johnny Podres (8-7) won it with Larry Sherry's relief help.

Veteran left-hander Billy Pierce (9-3) needed Don Larsen's one-out relief help in the ninth to subdue the Cubs after Billy Williams and Andre Rodgers hit consecutive homers. Dick Ellsworth (6-15) lost it.

Broglio (8-4) had the Red Legs blanked on three singles by Don Blasingame until the ninth when Jerry Lynch doubled and came home on a wild pitch. The Cards made the most of an ineffective evening by Bob Purkey (16-4).

The Colts jumped on Braves' starter Lew Burdette (6-7) for their three runs in the first inning. That finished Burdette. Tony Cloninger, Don Notohart and Carl Willey held Houston to three hits the rest of the way. But the Braves were unable to touch Farrell (8-13), who allowed only one man to reach second base.

Art Mahaffey (15-9) hit a grand slam homer to support his five-hit pitching. The Phils tagged Craig Anderson (3-12) with the loss.

## Thinks Golf Should Be Played Faster

By DON WEISS  
Associated Press Sports Writer

NEW YORK (AP)—Arnold Palmer thinks there's no way for golf to go except up but he feels the climb would be faster if play weren't so slow.

"There's no question that professionals set the tempo for the way golf is played," the Masters and British Open champion said Thursday night during a brief stopover in New York.

"More people are watching us all the time—the galleries are bigger every year and through television everyone can watch the major tournaments and some of the others. And after they see us, they go back to their clubs or their courses and a lot of them try to copy our styles and mannerisms."

"Somehow, many have the idea that you must be slow and deliberate about the game. They think five hours is the right time to take playing 18 holes. Yet, I'll bet if somebody played a winning round in three hours in a tournament, you'd find the average golfer soon would be playing a lot faster while scoring just as well if not better."

Ask Arnold if he believes the pros should play faster and he'll say, diplomatically, that he "prefers a faster pace but some others don't."

## Two Eliminated in Legion Meet

WALNUT RIDGE, Ark. (AP)—Teams from Little Rock and Camden lost for the second time Thursday night and were eliminated from the double elimination state American Legion baseball tournament.

Little Rock fell to Fort Smith 5-1 while Camden was edged 2-1 by Marianna.

In the third Thursday game, a hustling El Dorado squad erupted for eight runs in the eighth inning to gain a lopsided 12-6 victory over North Little Rock.

The loss was North Little Rocks first.

Fort Smith, which lost a game Wednesday night, meets North Little Rock today in the loser's bracket.

## Packers Are Favored Over All-Stars

By CHARLES CHAMBERLAIN  
Associated Press Sports Writer

CHICAGO (AP) — The Green Bay Packers, hale, hearty and apparently hungry, figure to give the College All-Stars a going over tonight and the odds favoring them—up to 23 points—are the biggest in the classic football series.

It's not that the All-Stars are that bad, for they have one of the most talented squads of the last 25 years. But it's that the Packers, winner of the 1961 National Football League championship with a crushing 37-0 victory over the New York Giants, are that good.

A crowd upwards of 5,000 will be in Soldier Field for the 29th game in the rivalry sponsored by the Chicago Tribune Charities, Inc. It will be televised and broadcast (ABC) starting at 8:45 p.m. EST. The weather outlook is for cloudiness after showers during the day.

The Packers limbered up under Soldier Field lights Thursday night and Coach Vince Lombardi said: "We're ready."

Lombardi has his squad intact—no injuries and Paul ornail and Boyd Dowler, Ray Nitschke and Eliza Pitts rejoining it after military service.

Such a complement makes the Packers a favorite to repeat in the NFL race this season. And if that's so how can the All-Stars, who have been in training only three weeks, be given any kind of chance?

Probable starting backfield for the All-Stars are quarterback John Hadl of Kansas, captain of the attacking unit; Angelo Dabiero, Notre Dame; Jim Saxton, Texas, and Curtis McClinton, Kansas.

They are backed by such passers as Roman Gabriel, North Carolina, and Bobby Ply, Baylor; and such turf pounders as Bob Ferguson of Ohio State, Ronnie Bull of Baylor and Lance Alworth of Arkansas.

"Physically, the Packers will find us pretty much of a match," said Head Coach Otto Graham.

Only two players are missing from the original squad. All-America halfback Ernie Davis of Syracuse is out with a blood disorder and Jim Skaggs, 230-pound guard from Washington, fractured a leg in the opening days of training.

The All-Stars haven't won since Graham's first year as head coach, 1953.

Batesville Wins in Legion Play

WALNUT RIDGE, Ark. (AP)—Batesville squeaked home a run in the eighth inning and edged Camden, 11-10, in the first round of the state American Legion Baseball Tournament Wednesday.

A team must lose two games before it is eliminated. Batesville led Camden by nine runs at one point, but a Camden rally, coupled with Batesville miscues, tied it 10-10 before the last inning.

In other first round games, North Little Rock's Danco Construction beat Little Rock Coleman Dairy, 5-1; El Dorado topped Fort Smith, 11-1, and Walnut Ridge, defending champion, tripped Marianna, 5-4.

Camden and Marianna were to play at 1 p.m. today, and North Little Rock was scheduled to meet El Dorado at 4 p.m. In night games, Walnut Ridge was paired
